

WOMEN ACCESS AND PARTICIPATION PLAN

As per the principles stated in our non-discrimination statement, Bangabandhu Sheikh Mujibur Rahman Agricultural University (BSMRAU) is committed to ensuring equal opportunities for all applicants and students, regardless of their gender. Applications from women, their acceptance and participation within the university programs and outreach are continually monitored by the university authority.

BSMRAU ensures that the female students achieve their potential, through full and active participation in the university academic and outreach programs. Female students are made aware of their rights through the provost of the female residential halls.

As a result of affirmative action plan towards women participation in the academic programs and workforce, access and participation of women candidates at BSMRAU has been consistently high.

We have installed an effective tracking system to monitor the participation and graduation of women students in our academic programs.
